THE DUTCH RAINWEAR BRAND

## **PEDAL THROUGH THE RAIN, RIDE WITH JOY!**

If the Netherlands is known for anything besides cheese, stroopwafels, windmills, and Amsterdam, it's the unpredictable weather and frequent rain showers. And to top it off, we're also a nation of cyclists and true die-hards. Raining or not, we hop on our bikes to school or work. Whether it's raining on the way to sports practice or walking the dog, we don't think twice about it. That's why good, functional rain gear for both young and old is indispensable in our little "frog country".

At Ralka we understand this better than anyone else!

# **DON'T WORRY, WE'VE GOT YOU COVERED!**

The extensive rainwear collection offers a range of options, from super functional rain suits to handy ponchos and fashionable rainwear. Because let's face it, even in the rain, we can still look fashionable while walking the dog!

At Ralka, it's not just about functionality - we also strive to provide rainwear for everyone, young or old. Whether you're looking for an affordable solution or willing to invest in premium quality. Our collection includes simple rainwear and ponchos as well as a performance line for outdoor activities like hiking and cycling. The brightly colored options that still make a fashion statement, even when the sky is gray. Discover our collection and embrace the rain with style and comfort, with Ralka's expertise, born and tested in the heart of sometimes rainy Netherlands.
