#### SKATING STARTS HERE

At Nijdam, we've been making skates since 1896! Our passion to continuously improve product specifications and provide you with the very best skating experience is what drives us every day. Our entire range - which today includes much more than just ice skates - has been conceived, designed and produced with our four core values in mind:

#### INSPIRED BY SKATING

We love what we do and constantly channel energy from the skate culture into all our work.

#### ENCOURAGE ADVENTURE

Pushing boundaries and taking on challenges opens our eyes to new possibilities and helps us all realise our dreams.

#### KEEP THEM SAFE

We take our responsibility to create safe products seriously so that our users can enjoy them for years and years.

#### ENJOY THE RIDE

In the end, skating is all about one thing: having fun, enjoying adventure and the challenges of learning something new. Our goal at Nijdam is to bring people together and make the skating experience as much fun as possible.
